

THE OFFICIAL SOURCE FOR

IMO DIGITAL PUBLICATIONS

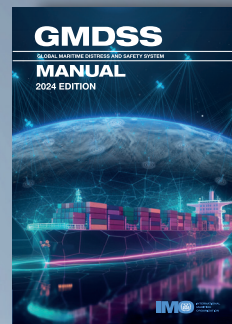

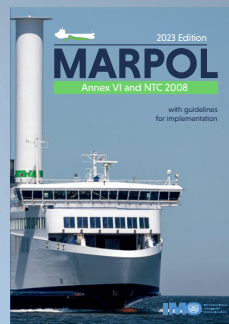

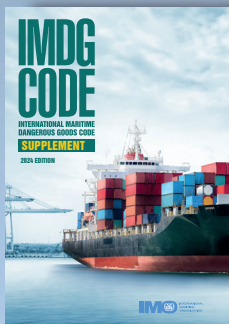

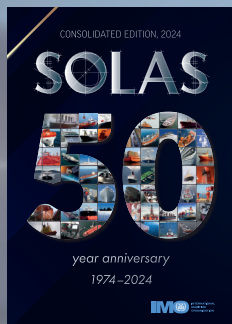

Discover IMO ePublications

The IMO ePublications platform provides access to a comprehensive list of IMO publications, including Conventions, Codes, regulations, recommendations, and guidelines to ensure maritime professionals and organizations stay informed and updated with international maritime regulations.

Key Features

-  **Official source:** Access genuine content published by the International Maritime Organization, ensuring accuracy and reliability.
-  **Continuous updates:** Enjoy seamless access to crucial maritime information, including instant availability of new editions and supplements.
-  **Multilingual content:** Navigate the platform seamlessly and browse over 600 titles in IMO's six official languages.
-  **Advanced search:** Effortlessly find the information you need with powerful search and browsing tools.
-  **Citation tool & DOIs:** Conveniently reference IMO publications with built-in citation tools and Digital Object Identifiers (DOIs).
-  **User accounts:** Create customer accounts, manage personal favourites, and receive alerts for new content.
-  **Secure transactions:** For easy and secure credit card payments.
